From the CEO

Happy
New
Year!

We hope this message finds you well and ready to kick off 2025 with renewed energy and excitement. As we step into the new year, we want to take a moment to express our heartfelt gratitude for your support and participation throughout 2024. Thanks to you, it was a year filled with growth, connection, and memorable moments.

We're thrilled to welcome you back to *The Center* this January! Our team has been hard at work planning an exciting lineup of activities, events, and member mixers to make 2025 even more vibrant and engaging. Keep an eye out for announcements and updates—you won't want to miss the fun!

Your involvement means the world to us, and we can't wait to see you at The Center, whether it's for a class, a game, or one of our special events. Together, let's make this a fantastic year filled with community, laughter, and great experiences. Thank you for being an essential part of what makes *The Center* so special. Here's to a wonderful start to 2025!

Kathy McFadden

A Special
THANK YOU

As we close another year filled with generosity and kindness, I want to extend my sincerest gratitude to everyone who contributed to our Christmas Kids' Gifts and the Senior Tree initiatives.

The overwhelming support we received was nothing short of extraordinary. Together, we were able to bring joy and hope to countless children and seniors in our community. Your thoughtful contributions, whether through gifts, donations, or your valuable time, have made an immeasurable difference in the lives of so many.

Thanks to you, children experienced the magic of Christmas with gifts that lit up their faces and hearts, and seniors in need felt the warmth of being remembered and cared for during the holiday season.

This remarkable outcome would not have been possible without your kindness, compassion, and dedication. You are the heart of our mission, and your support inspires us to continue making a difference in our community.

Thank you for showing the true spirit of the season and for helping us spread love and kindness where it is needed most. Wishing you and your families a joyous holiday season and a prosperous New Year.

Is hearing better in 2025 your New Year's Resolution?

Are you interested in improving your quality of life, mental sharpness, physical and social activity?

Ring in the new year with better health and hearing!

Isn't it time to get your hearing assessed to see if you have a hearing loss? Wouldn't it be nice to hear your spouse instead of saying "what" 20 times a day or pretending to know what they said? We often say, "oh that's selective hearing" and laugh it off. In reality it could be a hearing loss. Make an appointment at one of our two convenient locations in Prescott or Prescott Valley to determine if you have a hearing loss. Start 2025 off on the right ear!
