WE ARE CLOSED

OCTOBER 12TH
FOR COLUMBUS DAY

WE ARE NOW ON WINTER HOURS

We are closed on Fridays
beginning this month.

Our regular hours are
Monday – Thursday.

From Kathy

October is here, and I have to admit—fall is my favorite time of year! I love the cooler mornings, changing leaves, pumpkins, and everything that comes with this season. There is just something about fall that makes everything feel a little more cozy and inviting.

This month, I especially hope you'll join us for our **Fall Family Festival on Friday, October 23 and Saturday, October 24 from 10:00 AM – 3:00 PM.** We'll have local vendors, crafts, a food truck, and trick-or-treating for the kids at each vendor booth. Events like this are about so much more than what is on the schedule. They are an opportunity for our members, families, and community to come together and enjoy The Center in a different way.

Your attendance at events outside of your regular classes truly matters to us. When you attend, bring a friend, shop with one of our vendors, or simply stop by to see what is happening, you are supporting The Center and helping us continue to create more opportunities for our community. We would love to see you there!

I also want to thank everyone for your continued patience while the City works through repairs and improvements to our building. You may have already noticed our **new carpet!** Work on the air system is still underway and will continue to affect some rooms throughout October. Because room availability may change, please check the schedule regularly or give us a call before coming in if you are unsure whether your class has been affected.

We know these interruptions can be frustrating, and we appreciate how flexible and understanding everyone has been. We are looking forward to having the work behind us and enjoying the improvements together.

I hope you have a wonderful October, and I look forward to seeing you around The Center—and especially at the Fall Family Festival!

A Little Update From Home

Selena

Selena is so chatty! She loves to sing and has recently fallen in love with gymnastics. There is never a dull — or quiet — moment when she is around!

Alora

Alora has started talking, and it's just so cute. She sure does know what she wants and isn't afraid to tell us!

AJ

AJ is just days away from walking and celebrates his **FIRST** birthday this month! Can you believe he is already a year old? Time sure does fly!

These three sure keep us busy, laughing, and on our toes — and I wouldn't have it any other way!
