A Message from Our CEO

November 2026 – A Season of Gratitude and Giving

As we enter November, I find myself reflecting on just how much we have to be thankful for. The Center is so much more than a building filled with classes, activities, and events. It is a place where friendships are formed, laughter is shared, and people come together to make a difference. And that is because of **YOU!**

To our incredible instructors who share their time, talents, and passion; to our dedicated volunteers who give so generously of themselves; and to our wonderful members who fill our halls with energy, kindness, and friendship — ***thank you!*** You are the heart of The Center, and I am truly grateful for each and every one of you. We wouldn't be where we are today without your continued support.

November also gives us an opportunity to honor those who have given so much for our country. I warmly invite you to join us for our **Veterans Appreciation Breakfast on Friday, November 6th, from 9:00 to 11:00 AM.** Breakfast is complimentary for veterans and $10 for non-veterans. Please RSVP so we can prepare to honor our heroes. It is one small way we can say thank you for their service and sacrifice.

As we look toward the holiday season, our spirit of giving is already in full swing! Our **Senior Tree** begins **November 1st**, offering an opportunity to bring a little joy to a senior who might otherwise go without during the holidays. Our **Coat Collection** begins **November 15th**, helping provide warmth to children, adults, and seniors in need. We are also collecting **new, unwrapped toys**, and each toy donated earns an entry into a drawing for a **Center membership valued at $195!** Every donation, no matter how big or small, is a reminder of what a caring community can accomplish together.

Mark your calendars for our **Christmas Craft Fair, December 11th and 12th, from 10:00 AM to 3:00 PM!** We look forward to welcoming talented vendors, holiday shoppers, and families for two wonderful days of shopping, community, and holiday cheer.

Behind the scenes, we continue working on exciting projects and improvements to our facility and grounds. From our ongoing building improvements to our outdoor development plans, including our new storage shed and future enhancements to our park and walking trail, we are committed to making The Center an even better place for generations to come. These improvements take time, patience, and resources, but each step brings us closer to our vision.

And speaking of making The Center beautiful, ***we need your help decorating for Christmas!*** We are looking for volunteers who would enjoy helping us transform The Center into a warm and festive place for the holidays. Whether you have a creative touch or simply a willingness to lend a hand, we would love to have you join us. Please stop by the front desk if you are interested.

As Thanksgiving approaches, I hope each of you knows how deeply appreciated you are. We have faced challenges, celebrated successes, and continued to grow together. Through it all, one thing remains constant: ***the strength of The Center has always been the people who believe in it.***

From my heart to yours, thank you for being part of our Center family. May your Thanksgiving be filled with love, laughter, friendship, and countless blessings.

With heartfelt gratitude,

Kathy McFadden
